Word For Today

What’s slowing you down?

‘Let us strip off every weight that slows us down.’
[Hebrews 12:1](#)

The Bible says, ‘Let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us.

‘What’s slowing you down, or tripping you up? In life you only get to run once, so run to win. To avoid stumbling and losing your place in the race, don’t look back. You can’t change the past but you can learn from it.

Don’t be anxious about the next lap, just focus on the next step. If you miss that, you may fall and not get up again. Keep going, and before you know it you’ll have more laps behind you than ahead of you. Make every one count.

Many of us carry the weight and worry of burdens. But older and wiser people have come to understand their burdens are of no real importance. We waste our strength extinguishing fires that if left alone would burn out on their own. Time is your most valuable resource. Save it, and you’ve increased your assets and decreased your liabilities. Travel light.

Ditch the baggage of self-sabotaging habits and pointless fears. There are enough painful trials in life; why endure the ones you can ‘strip off’? When blind Bartimaeus heard that Jesus was within reach, he threw off his coat so it wouldn’t trip him up, and ran towards Him. And his faith paid off: ‘Immediately he received his sight and followed Jesus’ (Mark 10:52 NKJV).

You’ll never know how successful you can be until you get rid of the things that slow you down and trip you up.
